

## Fill in the gaps

Here I am waiting					
I'll have to leave soon					
Why am I holding on?					
We knew this day would come					
We knew it all along					
How did it come so fast?					
This is our last (1) but it's late					
And I'm trying not to sleep					
Because I know when I wake					
I will have to slip away					
And when the daylight comes I'll have to go					
But tonight I'm going to hold you so close					
Because in the (2) we'll be on our own					
But tonight I (3) to hold you so close					
Here I am staring at your perfection					
In my arms, so beautiful					
The sky is getting bright					
The stars are burning out					
Somebody (4) it down					
This is way too hard					
Because I know, when the sun comes up					

I will leave,	(5)	is my las	t glance		
That will soon be memory					
And when th	ne daylight co	mes I'll (6	6)	to go	
But tonight I'm going to hold you so close					
Because in the daylight we'll be on our own					
But tonight I need to hold you so close					
I never wanted to stop					
Because I don't want to start all over, start all over					
I was afraid of the dark					
But now it's all that I want					
All that I want, all that I want					
And when the daylight comes I'll have to go					
But tonight I	m going to (	7)	you so c	lose	
Because in the daylight we'll be on our own					
But tonight I need to hold you so close					
And when the daylight comes I'll have to go					
But tonight I'm going to hold you so close					
Because in the daylight we'll be on our own					
But tonight I	need to (8)_		you so clos	е
