Here I am waiting	I will leave, (13) is my last glance
I'll have to (1) soon	That will soon be memory
Why am I (2) on?	And when the (14) (15) I'll
We knew this day would come	have to go
We knew it all along	But tonight I'm going to hold you so close
How did it (3) so fast?	Because in the (16) we'll be on our own
This is our last night but it's late	But tonight I (17) to hold you so close
And I'm trying not to sleep	I never (18) to stop
(4) I (5) (6) I wake	(19) I don't want to start all over, start all
I will (7) to slip away	over
And when the daylight comes I'll have to go	I was afraid of the dark
But tonight I'm (8) to hold you so close	But now it's all (20) I want
Because in the daylight we'll be on our own	All (21) I want, all that I want
But (9) I need to hold you so close	And (22) the daylight comes I'll (23) to
Here I am staring at your perfection	go
In my arms, so beautiful	But tonight I'm going to hold you so close
The sky is (10) bright	Because in the daylight we'll be on our own
The stars are burning out	But tonight I need to hold you so close
Somebody (11) it down	And when the (24) comes I'll have to go
This is way too hard	But tonight I'm going to (25) you so close
Because I know, (12) the sun comes up	Because in the daylight we'll be on our own
	But tonight I need to hold you so close
