Oh yes, I've got (1) (2) my	But I (13) this man
riends	But (14) things I (15) can't stand
Trouble in my life	I gotta be out of my mind
Problems when you don't come home at night	To (16) it's gonna work this time
But when you do, you (3) start a fight	A part of me wants to leave
But I can't be alone	But the other (17) (18) believes
I (4) you to come home	And it (19) me
I know you're messing around	To know how much I really love you
But who the hell else is gonna (5) me down?	So much I wanna, uh
I (6) be out of my mind	To you, uh
To (7) it's gonna work this time	Should I pay you back to see how you react?
A part of me wants to leave	To see if you (20) to my love, my love
But the (8) side still believes	I (21) be out of my mind
And it kills me	To think it's gonna work this time
To know how much I really love you	A (22) of me (23) to leave
So much I wanna, uh	But the other (24) still believes
To you, uh	And it (25) me
Should I grab his cell, call this chick up	To know how (26) I really love you
	So much I wanna, uh
(9) some shh , then	To you, uh
(10) up?	
Or I should I be a lady?	
Oh, maybe (11) I (12) have	
nis babies?	
Oh yeah because I don't wanna be alone	
I don't need to be on my own
