The hurt & the healer by MercyMe

Fill in the gaps

vvny?	it's the moment when numanity
The question that is never far away	Is overcome by majesty
The healing doesn't (1) from the explained	When grace is ushered in for good
Jesus please don't let this go in vain	And all our scars are understood
You're all I have	When mercy takes its rightful place
All (2) remains	And all these questions fade away
So here I am	When out of the weakness we must bow
What's left of me	And hear you say "It's over now"
Where glory meets my suffering	I'm alive
I'm alive	Even though a (7) of me has died
Even though a part of me has died	You take (8) heart and bring it back to life
You (3) my heart and bring it back to life	I've fallen into your arms open wide
I've fallen into your arms (4) wide	When the hurt and the healer collide
(5) the hurt and the healer collide	Jesus come and break my fear
Breathe	Awake my heart and take my tears
Sometimes I feel it's all that I can do	Find your glory even here
Pain's so deep that I can hardly move	When the hurt and the healer collide
Just keep my eyes completely fixed on you	Jesus come and break my fear
Lord take hold and pull me through	Awake my heart and take my tears
So here I am	Find your glory even here
What's left of me	When the hurt and the healer collide
Where glory meets my suffering	Jesus come and break my fear
I'm alive	Awake my (9) and take my tears
Even though a part of me has died	I find (10) glory even here
You take my heart and breathe it back to life	
l've fallen into your arms open wide
