

## Fill in the gaps

She's too blue-eyed Possibly Then again She couldn't be One, two, she knows kung foo Three, four, kicked in my door Five, six, I can't believe it What a mess I'm in She might she might She might shake up everything I am She might she might She might make me do the best I can (1)\_\_\_\_\_ has she done We might be the She might be the one I'm into deep, Probably Then again, How could I be? One, two, she just got through Three, four, what an uproar Five six she moves me out

And throws me to the wind

| She might she might                      |             |              |           |
|--|-------------|--------------|-----------|
| She might shake up everything I am       |             |              |           |
| She might she (2)                        |             |              |           |
| She (3)                                  | (4)         | me do the be | est I can |
| What has she done                        |             |              |           |
| She might be her                         |             |              |           |
| She (5)                                  | be the one  |              |           |
| Her eyes are shining like a midnight sun |             |              |           |
| Oh, the countdown has begun              |             |              |           |
| Five, four, three, two, one              |             |              |           |
| She (6)                                  | she might   |              |           |
| She might shake up                       | (7)         |              | I am      |
| She (8)                                  | she might   |              |           |
| She might make me do the best I can      |             |              |           |
| (9) has she done                         |             |              |           |
| What has she done                        |             |              |           |
| She (10)                                 | _ she might |              |           |
| She might be her,                        |             |              |           |
| She might be the one,                    |             |              |           |
| Be the one                               |             |              |           |

- 1. What
- 2. might
- 3. might
- 4. make
- 5. might
- 6. might
- 7. everything
- 8. might
- 9. What
- 10. might
