

Fill in the gaps

I'm 24 now	So why am I pacing away the lonely night?
I live the good life	Saying somehow
I'd have 20 more now	But still somehow
And love (1) couldn't I?	There's a clog in the drain
I've got my memories	And how but still somehow
I've got a lefty	There's a clog in the drain
I've got the summer	What's so bad?
That's all (2) of me	For no reason at all
But (3) somehow	I feel so sad
But still somehow	Let's go running 40 miles
There's a clog in the drain	Or stay up 20 days
And how but still somehow	Let's do something, (9) not tired
(4) a clog in the drain	But still somehow
What's so bad?	There's a clog in the drain
For no reason at all	And how but still somehow
I feel so sad	There's a clog in the drain
(5) go running 40 miles	What's so bad?
Or (6) up 20 days	For no reason at all
Let's do something, I'm not tired	I feel so sad
I'm 24 now	Let's go running 40 miles
I'm doing alright	Or (10) up 20 days
I've got some money	Let's do something, I'm not tired
and 20/20 eyes	
I know you told me	
I'm (7) fine
