

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you found another
How (1)_____ I compete?
Abusive words cover me like dust
I waited to know for sure
You only give up as last
I still think of you
And all the sh*t you put me through

And I know you were wrong
I still (2)_____ of you
And all the sh*t you put me through
And I know now, I know you (3)_____ wrong
Dark clouds (4)_____ you around
Your own worst enemy
You only picked me up to (5)_____ me down, down,
down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
I still (6)_____ of you
And all the (7)_____ you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you (8)_____ wrong
