

Fill in the gaps

You got (1) off my devotion	And I (15) you (16) wrong
We caught as you crutch	I still (17) of you
Black, (2) sick of potion	And all the sh*t you put me through
I was (3) to your touch	And I (18) now, I know you were wrong
Carried (4) weight the misplaced way	Dark clouds follow you around
Had the burden of hate	Your own (19) enemy
The decadence of decay	You only picked me up to (20) me down, down,
I still (5) of you	down
And all the sh*t you put me through	I (21) (22) of you
And I know you were wrong	And all the sh*t you put me through
I still think of you	And I know you were wrong
And all the sh*t you put me through	I (23) think of you
And I know now, I know you (6) wrong	And all the sh*t you put me through
You (7) pain (8) lover	And I (24) now, I know you (25) wrong
Infidelity not discrete	I still think of you
I knew you found another	And all the sh*t you put me through
How could I compete?	And I know you were wrong
(9) (10) (11)	I (26) think of you
me like dust	And all the sh*t you put me through
I (12) to know for sure	And I (27) now, I know you were wrong
You (13) give up as last	
I still (14) of you	
And all the sh*t you put me through
