

Fill in the gaps

Didn't (1) what (2) (3) be	My (18) sealed
But I (4) I didn't see	My heart closed
What you thought you saw in me	And my (19) peeled
I (5) the gun	Welcome to the (20) workings of my mind
So sure you'd split and run	So dark and foul I can't disguise, can't disguise
Ready for the (6) (7) the	Nights (21) (22) I (23)
damage was done	afraid
The storm never came	Of the darkness in my heart
Oh, it (8) was	Hurricane
Didn't know getting (9) in the blue	Make ash and (24) the dust behind
He damned how I ran (10) losing you	Lady "diamond in the sky"
Welcome to the inner workings of my mind	Wild light, glowing bright
So dark and foul I can't disguise, can't disguise	To guide me when I fall
(11) (12) (13) I	I fall on tragedy
(14) afraid	Welcome to the inner workings of my mind
Of the (15) in my heart	So dark and (25) I can't disguise, can't disguise
Hurricane	Nights like this I become afraid
What's (16) with me	Of the darkness in my heart
Why not understand and see	Hurricane
I never saw	
What you saw in me	
Keep my (17) open
