

Fill in the gaps

Didn't know what this would be		My lips sealed	
But I knew I didn't see		My heart closed	
What you thought you saw in me		And my eyes peeled	
I jumped the gun		Welcome to the inner workings of my mind	
So sure you'd split and run		So dark and foul I can't disguise, can't disguise	
Ready for the (1)	_ before the damage was done	Nights like this I become afraid	
The storm never came		Of the darkness in my heart	
Oh, it never was		Hurricane	
Didn't know getting lost in the blue		Make ash and (7)	the (8) behind
He damned how I ran (2) (3)		Lady "diamond in the sky"

(4) to the inner workings of my mind		To guide me when I fall	
So dark and foul I can't disguise, can't disguise		I fall on tragedy	
Nights like this I become afraid		Welcome to the inner workings of my mind	
Of the darkness in my heart		So dark and (10)	I can't disguise, can't disguise
Hurricane		Nights like this I become afraid	
What's wrong with me		Of the darkness in my heart	
Why not understand and see		Hurricane	
I never saw			
What you saw in me
