

Fill in the gaps

Whispers in the dark by Mumford & Sons

You hold (1) (2) so purely	I'd set out to serve the Lord
(3) not through the minds of men	My heart was colder when you'd gone
This lie is dead	And I lost my (4) but found the one (5)
This cup of yours tastes holy	I love
But a brush with the Devil can clear your mind	Under the sun, under the sun
And strengthen your spine	But fingers tap into what you were once
But fingers tap into what you were once	And I'm (6) (7) I blew my only
And I'm worried that I blew my only chance	chance
Whispers in the dark, steal a kiss	(8) tap into what you were once
And you'll break your heart	And I'm worried that I blew my only chance
Pick up your clothes and curl your toes	My heart was (9) when you'd gone
Learn your lesson	And I lost my head
Lead me home	Let's (10) while we are young
Spare my sins for the ark	While we are young
I was too slow to depart	While we are young
I'm a cad but I'm not a fraud	While we are young
