

Fill in the gaps

it's (1) in the valley of your neart	And I won't let you choke
The sun, it rises slowly as you walk	On the noose (5) your neck
Away from all the fears and all the faults	And I'll find strength in pain
You've left behind	And I will change my ways
The harvest left no food for you to eat	I'll know my name as it's called again
You cannibal, you meat-eater, you see	So come out of (6) (7) walking on your
But I have (2) the same	hands
I know the shame in your defeat	And see the world hanging upside down
But I'll hold on hope	You can understand (8)
And I won't let you choke	When you know the maker's land
On the noose around your neck	So make your siren's call
And I'll find strength in pain	And sing all you want
And I will change my ways	I will not hear what you have to say
I'll know my name as it's called again	Because I (9) freedom now
Because I have other (3) to fill my time	And I need to know how
You take what is yours and I'll take mine	To live my life as it's meant to be
Now let me at the truth	And I will hold on hope
Which will refresh my broken mind	And I won't let you choke
So tie me to a post and block my ears	On the noose around your neck
I can see widows and orphans (4) my	And I'll find strength in pain
ears	And I will change my ways
I know my call despite my faults	I'll know my name as it's called again
And despite my growing fears	
But I will hold on hope
