

Follow me

Fill in the gaps

(1) darkness falls	You can follow me
And surrounds you	I will (6) you safe
When you fall down	Follow me
When you're scared	You can follow me
And you're lost	I will protect you
Be brave	I won't let them harm, harm you
I'm coming to hold you now	When (7) heart is breaking
When all your strength has gone	You can follow me
And you feel wrong	You can follow me
Like (2) (3) has (4)	I (8) always keep you safe
away	Follow me
Follow me	You can trust in me
You can follow me	I will always (9) you
And I	My love
I will not desert you now	Feel my love
When your fire's died out	Feel my love
No one's there	
They (5) left you for dead
