

Fill in the gaps

Prytania			A loaded gun
You're (1)	like a (2)	gun	Prytania, you know you are the (6) one
A loaded gun			And the one I want
Prytania, you know you are the baddest one			There you go
And the one I want			Ignore the palm of (7) hand
When you're walking your walk			While you don't notice the ones, you've got all wrong
And talking your talk			I'm in the ground you're walking on
The blame is on you for (3) my heart			Would you try something you (8) have tried?
If I get my way, we'll marry some day			It doesn't matter how opposite we are
Who (4) what they say?			I'll be the last to break your heart
Prytania, you're looking (5) a loaded gun			Just keep it in mind
A loaded gun			Keep it in mind
Prytania, you know you are the baddest one			Prytania, Prytania
And the one I want			Prytania, you're looking like a loaded gun
The lines that I've said			A loaded gun
The fool that I've been			Prytania, you (9) you are the baddest one
May tell me that I'm in over my head			And the one that I want
And no I don't care			The only one (10) I want
Come on just say yeah			
I'm already there			
Prytania, you're looking like a loaded gun			

- 1. looking
