

Fill in the gaps

I was fine (1) before I met her	Who gives her the right to tear up my life?
Never hurt and nothing could control me	How dare she be so perfect
You know I tried	What did I do to deserve this?
But I can't regret her	-Never let her go-
She's the first, ask anyone who knows me	How dare she be so perfect
Terrified that she'd (2) my heart and break it	Tell me why, tell me why
Paralyzed by the thought of her with someone else	You started the fire
I wish I would've known	And played me (7) that
I shouldn't have fallen in love with her	Tell me why, tell me why
(3) nothing but trouble till now	You started the fire
I shouldn't have fallen in love at all	And played me like that
But I couldn't stop myself	I shouldn't have (8) in love with her
What gives her the right to (5) up my life?	It's been nothing but trouble till now
How dare she be so perfect?	I shouldn't have fallen in love at all
What did I do to deserve this?	But I couldn't stop myself
-Never let her go-	-I've got to let her go-
How dare she be so perfect	Who gives her the (9) to tear up my life
-You started the fire-	How dare she be so perfect
I haven't cried since the day she left me	What did I do to deserve this?
Because that would mean (6) I admit it's over	-I've got to let her go-
I tell myself that she's trying to test me	How dare she be so perfect
She'd never leave, she still needs me to hold her	Tell me why, (10) me why
Horrified cause she found my heart and broke it	You started the fire
Mortified when I picture her with someone else	And played me like that
I wish I would've known	Tell me why, tell me why
I shouldn't have fallen in love with her	You started the fire
It's been nothing but trouble till now	And played me like that
I shouldn't have fallen in love at all	
But I couldn't stop myself
