

Fill in the gaps

Spinning out, gracefully			
Going nowhere, oh, quickly			
I am older, day to day			
Still going back to my childhood way			
Circuital			
Round and round patiently			
(1) lost by the guide			
And I'm all worked up over nothing			
Circuits			
All in and out			
Connect my body			
Deep into the ground			
Circuits			
(2) the Earth to the Moon			
And link our heavenly bodies			
Not a moment too soon			
Well you can (3) open the windows			
Or you can board them up			
(4) to a crown			
Or Christ's humble cup			
You think you'll find yourself out there			

Out in the lion's den			
In somebody's battle			
Over belief systems			
Or disappear into the vacuum			
Total neutrality			
Well you can't lose nothing			
But nothing can be gained			
Well anyway you cut it			
We're just spinning around			
Out on the circuits			
(5)	the hollow grounds		
Out on the circuits			
(6)	the hollow grounds		
Heading right back in the same place			
(7)	we started out		
(8)	_ back in the same place		
(9)	back in the (10)	_ place	
That we starting out
