

Fill in the gaps

Stand Back!	You (16) your ladder from (17) snake
Stand Back!	You know the throttle (18) the brake
What are those dogs doing	You know (19) straight
sniffing at my feet	line from a curve
They're on to something, (1) up	You've got a lot of nerve
Picking up this heat, this heat	But I know you
Give me steam	Everybody nosedive
And how you (2) to make it real	Hold your breath, count to five
Real as anything you've seen	Backslap, boobytrap,
Get a life (3) (4) dreamer's dream	Cover it up in bubblewrap
You know your culture from your trash	Room shake, earthquake
You know your plastic (5) your cash	Find a way to stay awake
When I lose (6) of the track	It's going to blow,
You know the way back	it's going to break
But I know you	This is more than I can take
You (7) your stripper (8) your paint	Oh yeah, I need steam
You know your sinner from your saint	Feel the steam all (20) me
Whenever heaven's (9) are shut	Ah you're turning up the heat
You kick them (10) but	When I start to dream aloud
I (11) you	See you (21) your hands and feet
Give me steam	Won't you step into
And how you (12) to (13) it real	this (22) of steam
Real as any place you've been	This steam
Get a life with the dreamer's dream	Help me yeah
Stand back!	Ready to (23) out the log jam
Stand back!	Stir crazy (24) the
Can't you see I've lost	freezer to the boil
control I'm getting	Water's bubbling, it's
indiscreet	bbbbubbling
You're moving in so close	bubbling, bubbling, bubbling
'til I'm picking up	like it's coming to a boil
Picking up this heat, this heat	Give me steam, lady
You (14) your green from your red	Give me steam (25) me now
You (15) the quick from the dead	Aah coming alive,
So much better than the rest	Aah coming alive
You think you've been blessed	Said (26) me some steam
But I know you
