

Wonder by Natalie Merchant

Doctors have come (1)_____ distants cities
Just to see me
Stand over my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
(2)_____ can offer no explanation
Newspapers ask intimate questions
Want confessions
They reach into my head to
Steal the glory of my story
They say I (3)_____ be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know this child will be able
Laughed as my body she lifted
Know this (4)_____ will be gifted
With love, with patience, and with faith

Fill in the gaps

She'll make her way, she'll make her way
People see me
I'm a challenge to (5)_____ balance
I'm over your heads
How I confound you and astound you
To know I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate (6)_____ and
Destiny laughed as she (7)_____ to my cradle
Know this child will be able
Laughed as she came to my mother
Know (8)_____ child will not suffer
Laughed as my (9)_____ she lifted
Know this child (10)_____ be gifted
With love, with patience and with faith
She'll make her way, she'll make her way
She'll make her way
