

Doctors have come from distants cities

Fill in the gaps

Just to see me
Stand over my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
(1) can offer no explanation
Newspapers ask intimate questions
Want confessions
They reach into my head to
Steal the glory of my story
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she (2) to my cradle
Know this child will be able
Laughed as my body she lifted
Know this child will be gifted
With love, with patience, and with faith

She'll make her way, she'll make her way		
People see me		
I'm a (3)	to your balance	
I'm over your heads		
How I (4) ye	ou and astound yoι	
To know I must be one of the wonders		
Of God's own creation		
And as far as they see		
They can offer no explanation		
I believe, (5) smiled a	ind	
Destiny laughed as she came to	my cradle	
Know this child will be able		
Laughed as she (6) to	o my mother	
Know (7) (8)	will not suffer	
Laughed as my body she lifted		
(9) this child will be gi	ifted	
With love, (10) patien	ce and with faith	
She'll make her way, she'll make her way		
She'll make her way
