| (1) you spit your venom | When (11) (12) (13) |
| Keep it shut I hate it | nothing |
| (2) you hiss and preach | I go la, la, la |
| About (3) new messiah | I'm turning up the (14) when you speak |
| Because your (4) (5) fire | Because if my (15) can't stop it |
| I can't (6) | I find a way to block it |
| Your silver lining | I go la, la, la |
| I don't mean to judge | I find a way to block it |
| But when you read your speech | I go la, la, la |
| It's tiring, enough is enough! | I (16) a way to block it |
| I'm covering my ears like a kid | I (17) a way to block it |
| When your words mean nothing | I go la, la, la |
| I go la, la, la | I'm covering my ears (18) a kid |
| I'm turning up the (7) when you speak | When (19) words mean nothing |
| Because if my heart can't stop it | I go la, la, la |
| I find a way to block it | I'm turning up the volume when you speak |
| I go la, la, la | Because if my (20) can't stop it |
| I find a way to block it | I find a way to (21) it |
| I go la, la, la | I go |
| If our love is running out of time | I'm covering my ears like a kid |
| I won't count the hours, rather be a coward | When your words mean nothing |
| When our words collide | I go la, la, la |
| I'm going drown you out (8) I lose my mind | I'm turning up the (22) (23) you |
| I can't (9) your silver lining | speak |
| I don't mean to judge | Because if my (24) can't stop it |
| But when you read your speech | I find a way to block it |
| It's tiring, enough is enough | I go |
