

Fill in the gaps

Hush, don't speak
When you spit your venom
Keep it shut I hate it
When you hiss and preach
About your new messiah
Because your (1) catch fire
I can't (2)
Your silver lining
I don't mean to judge
But (3) you (4) your speech
It's tiring, enough is enough!
I'm covering my ears like a kid
When your words mean nothing
I go la, la, la
I'm turning up the volume when you speak
Because if my heart can't stop it
I find a way to block it
I go la, la, la
I find a way to block it
I go la, la, la
If our love is running out of time
I won't count the hours, rather be a coward
When our words collide
I'm going drown you out before I lose my mind
I can't find your silver lining
I don't mean to judge
But when you (5) your speech
It's tiring, enough is enough

I'm (6) my ears like a kid
When your (7) mean nothing
I go la, la, la
I'm turning up the volume when you speak
Because if my heart can't (8) it
I find a way to block it
I go la, la, la
I find a way to block it
I go la, la, la
I find a way to (9) it
I find a way to block it
I go la, la, la
I'm covering my ears like a kid
When your words mean nothing
I go la, la, la
I'm turning up the volume when you speak
Because if my heart can't stop it
I find a way to block it
I go
I'm covering my ears like a kid
When your (10) mean nothing
I go la, la, la
I'm turning up the volume when you speak
Because if my heart can't stop it
I find a way to block it
I go

1. theories
