

Fill in the gaps

Hey baby won't you look my way
I can be your new addiction
Hey baby what you got to say
All you are giving me is fiction
I'm a sorry sucker and this happens all the time
I find out that everybody talks
Everybody talks
Everybody talks
It started with a whisper
And that was when I kissed her
And (1) she made my (2) hurt
I can hear the chit chat
Take me to your love shack
Mama's always got a backed truck
When everybody talks back
Hey honey you could be my drug
You could be my new prescription
Too much, get me an overdose
All this trash talk (3) me itching
Oh my my shit (4) talks
Everybody talks
(5) too much
It started with a whisper
And (7) was when I kissed her
And then she (8) my lips hurt

I can hear the chit-chat
Take me to your love shack
Mama's always got a backtrack
When (9) talks back
Never thought I'd live to see the day
When everybody's words got in the way
Hey sugar show me all your love
All you're (10) me is friction
Hey sugar what you got to say
It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I can hear the chit-chat
Take me to your love shack
Mama's always got a backtrack
When Everybody talks back
Everybody talks
(bis)
It started with a whisper
And that was when I kissed her
Everybody talks
Everybody talks
Everybody talks back
