Days go by by Offspring

Watch to the light
It won't save you tonight
All our lesson is
Pictures lost in time
Never enough, towers crumble to dust
Looking back on the moments of our lives
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all (1)_____ again
What you had and what you lost
They're all memories in the wind
Those days go by and we all (2)_____ again
Stars still (3)_____ bright
Seasons (4)_____ overnight
As we find a way
The times they come and go
Look back in love, a new day rises above
With no end it comes, to carry you back home
All (5)_____ anger, all your hurt

It doesn't matter in the end
Those days go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again
(6)_____ go by
All your anger, all (7)_____ hurt
It doesn't matter in the end
Those days go by and we all start again
(8)_____ you had and what you lost
They're all memories in the wind
Those days go by and we all start again
(9)_____ you had, what you lost
What you had, what you lost
Those days go by
