# Fill in the gaps

## You're gonna go far, kid by Offspring

Show me how to lie
You're getting better all the time
And turning all against the one
Is an art that's hard to teach
Another clever word
Sets off an unsuspecting herd
And as you step back into line
A mob jumps to their feet
Now dance, fuc*er, dance
Man, he never had a chance
And no one even knew
It was (1)_____ only you
And now you steal away
Take him out today
Nice (2)_____ you did
You're gonna go far, kid
With a (3)_____ lies
And a good disguise
Hit them right between the eyes
Hit them right (4)_____ the eyes
When you walk away
(5)_____ more to say
See the lightning in (6)_____ eyes
See them running for their lives
Slowly out of line
And drifting closer in your sights
So play it out I'm wide awake
It's a scene about me
There's something in your way
And now someone is gonna pay
And if you can't get what you want
Well it's all because of me
Now dance, fuc*er, dance
Man, I never had a chance
And no one even knew
It was (7)_____ only you
And now you'll lead the way
Show the light of day
Nice work you did
You're gonna go far, kid
Trust, deceived
With a thousand lies
And a good disguise
Hit them right between the eyes
Hit them right between the eyes
When you walk away
Nothing more to say
See the lightning in your eyes
See them running for their lives
Now dance, fuc*er, dance
He never had a chance
And no one even knew
It was really only you
So dance, fuc*er, dance
I never had a chance
It was really only you
With a thousand lies
And a good disguise
Hit them right between the eyes
Hit them right between the eyes
When you (8)_____ away
Nothing more to say
See the lightning in your eyes
See (9)_____ running for their lives
Clever alibis
Lord of the flies
Hit them right between the eyes
Hit them right between the eyes
When you walk away
Nothing more to say
See the lightning in your eyes
See them running for their lives

# Fill in the gaps
