Fill in the gaps

You're gonna go far, kid by Offspring

Show me how to lie			Show the light of day	
You're (1)	_ (2)	all the time	Nice work you did	
And turning all (3)	the one		You're (11) go far, kid	
Is an art that's (4)	_ to teach		Trust, deceived	
Another clever word			With a thousand lies	
Sets off an unsuspecting herd			And a good disguise	
And as you step back into line			Hit them right (12)	the eyes
A mob jumps to their feet			Hit them right (13)	the eyes
Now dance, fuc*er, dance			When you (14) away	
Man, he never had a chance	e		Nothing more to say	
And no one even knew			See the lightning in (15)	eyes
It was (5) only you			See them running for (16)	lives
And now you steal away			Now dance, fuc*er, dance	
Take him out today			He never had a chance	
Nice work you did			And no one even knew	
You're gonna go far, kid			It was really only you	
With a thousand lies			So dance, fuc*er, dance	
And a good disguise			I never had a chance	
Hit them right (6)	the eyes		It was really only you	
Hit (7) right between the eyes			With a thousand lies	
(8) you walk awa	ay		And a good disguise	
Nothing more to say			Hit them right (17)	the eyes
See the lightning in your eyes			Hit them right between the eyes	
See them running for their lives			When you walk away	
Slowly out of line			Nothing more to say	
And (9) closer in your sights			See the lightning in your eyes	
So play it out I'm wide awake			See them running for their lives	
It's a scene about me			(18) alibis	
There's (10)	in your way	′	(19) of the flies	
And now someone is gonna pay			Hit them right between the eyes	
And if you can't get what you want			Hit them (20) between the eyes	
Well it's all because of me			When you walk away	
Now dance, fuc*er, dance			Nothing (21) to say	
Man, I never had a chance			See the lightning in your eyes	
And no one even knew			See (22) running for their lives	
It was really only you
