

Fill in the gaps

Like A Rolling Stone by Bob Dylan

Once upon a (1) you (2)	so fine When they all did tricks for you
Threw the bums a dime in (3) prime, o	didn't you? You never understood that it ain't no good
People call, say, 'Beware doll, you're (4)	to fall' You shouldn't let other people get your kicks for you
You thought (5) were all kiddin' you	You used to ride on the chrome (13) with your
You used to laugh about	diplomat
Everybody that was hangin' out	Who carried on his shoulder a Siamese cat
Now you don't talk so loud	Ain't it hard when you discover that
Now you don't (6) so proud	He really wasn't (14) it's at
About (7) to be scrounging your	next meal. After he took from you everything he could steal.
How does it feel	How does it feel
How does it feel	How does it feel
To be without a home	To be on your own
Like a complete unknown	With no direction home
Like a rolling stone?	Like a (15) unknown
Ah,you've gone to the finest school all right, Miss	Lonely Like a rolling stone?
But you (8) you only (9) to	get juiced in Ah, (16) on the steeple and all the pretty
t	people
Nobody's ever taught you how to live out on the s	treet They're all drinkin', thinkin' that they got it made
And now you're (10) have to get us	ed to it Exchanging all (17) gifts
You say you never compromise	But you'd better take your diamond ring, you'd
With the mystery tramp, but now you realize	(18) pawn it babe
He's not selling any alibis	You used to be so amused
As you stare into the vacuum of his eyes	At Napoleon in rags and the (19) that he
And say do you want to make a deal?	used
How does it feel	Go to him now, he calls you, you can't refuse
How does it feel	When you got nothin', you got nothin' to lose
To be on your own	You're invisible now, you got no secrets to conceal.
With no (11) home	How (20) it feel
A complete unknown	Ah, how (21) it feel
Like a rolling stone?	To be on your own
Ah, you never (12) around to see	ee the frowns With no direction home
on the jugglers and the clowns	Like a complete unknown
