

## Fill in the gaps

<em>You're a troublemaker</em>	My (16) keeps (17) run as fast as
You're a troublemaker	you can
You ain't nothing but a troublemaker girl	Troublemaker
You had me hooked again	I say I'm done
From the minute you sat down	But (18) you (19) me back
The way you bite your lip	I swear you're giving me a heart attack
Got my head spinning around	Troublemaker
After a drink or two	<em>Maybe I'm insane</em>
I was (1) in your hands	(20) I keep doing the same damn thing
I don't know if I have the strength to stand	Thinking one day we're going to change
Trouble troublemaker yeah	But you know just how to work that back
That's your middlename	And make me forget my name
I know you're no (2) but you're stuck in my brain	What the (21) you do I won't remember
And I want to know	I'll be gone (22) November
Why does it feel so good but hurt so bad?	And you'll show up again next summer
My mind keeps saying run as fast as you can	(23) middle name was Prada
I say I'm (3)	Fit you like a glove girl
But then you pull me back	I'm sick of the drama, you're a troublemaker
I swear you're giving me a (4) attack	But damn girl it's (24) I love the trouble
Troublemaker	And I can't even explain why
It's (5) you're always (6)	Why does it feel so (25) but hurt so bad?
In the (7) of my mind	My mind keeps saying run as fast as you can
I see a silhouette every time I close my eyes	Troublemaker
There (8) be (9) in those finger	I say I'm done
tips of yours	But then you pull me back
(10) I keep coming back again for more	I swear you're giving me a heart attack
Trouble troublemaker yeah	Troublemaker
That's your middlename	Why does it (26) so good but (27) so
I (11) you're no good but you're stuck in my brain	bad?
And I want to know	My mind keeps saying run as fast as you can
Why (12) it feel so good but hurt so bad?	Troublemaker
My mind keeps saying run as fast as you can	I say I'm done
I say I'm (13)	But then you pull me back
But (14) you pull me back	I swear you're giving me a heart attack
I swear you're (15) me a heart attack	Troublemaker
Troublemaker	
Why does it feel so good but hurt so bad?
