

Troublemaker

Why does it feel so good but hurt so bad?

Fill in the gaps

You're a troublemaker	My mind keeps saying run as (6) as you can
You're a troublemaker	Troublemaker
You ain't nothing but a troublemaker girl	I say I'm done
You had me hooked (1)	But (7) you (8) me back
From the (2) you sat down	I swear you're giving me a heart attack
The way you bite (3) lip	Troublemaker
Got my head spinning around	Maybe I'm insane
After a drink or two	Because I keep doing the same damn thing
I was putty in your hands	Thinking one day we're going to change
I don't know if I have the strength to stand	But you know just how to work that back
Trouble (4) yeah	And make me forget my name
That's your middlename	What the hell you do I won't remember
I know you're no good but you're stuck in my brain	I'll be gone until November
And I want to know	And you'll show up again next summer
Why does it feel so good but hurt so bad?	Typical middle name was Prada
My mind keeps saying run as fast as you can	Fit you like a glove girl
I say I'm done	I'm sick of the drama, you're a troublemaker
But then you pull me back	But (9) girl it's like I (10) the trouble
I swear you're giving me a heart attack	And I can't even explain why
Troublemaker	Why does it feel so good but hurt so bad?
It's like you're always there	My mind keeps saying run as fast as you can
In the corners of my mind	Troublemaker
I see a silhouette every time I (5) my eyes	I say I'm done
There must be poison in those finger tips of yours	But then you pull me back
Because I keep coming back again for more	I swear you're giving me a heart attack
Trouble troublemaker yeah	Troublemaker
That's your middlename	Why does it feel so good but hurt so bad?
I know you're no good but you're stuck in my brain	My mind keeps saying run as fast as you can
And I want to know	Troublemaker
Why does it feel so good but hurt so bad?	I say I'm done
My mind keeps saying run as fast as you can	But then you pull me back
I say I'm done	I swear you're giving me a heart attack
But then you pull me back	Troublemaker
I swear you're giving me a heart attack
