## Something I need by One Republic

## Fill in the gaps

I had a dream the other night
About how we only get one life
Woke me up right after two
I (1) awake and stared at you
So I wouldn't lose my mind
And I had the week that came from hell
And yes, I know that you could tell
But you're like the net under the ledge
(2) I go flying off the edge
You go flying off as well
And if you only die once
I want to die with
You got something I need
In this world full of people
There's one killing me
There's one killing me And if we only die once
And if we only die once I (3) to die with you
And if we only die once
And if we only die once I (3) to die with you
And if we only die once I (3) to die with you You got (4) I need
And if we only die once I (3) to die with you You got (4) I need In this world full of people
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me

And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once  I want to die with you  Last night I think I drank too much  Call it our temporary crunch
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once  I want to die with you  Last night I think I drank too much  Call it our temporary crunch  With broken words I've tried to say it
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once  I want to die with you  Last night I think I drank too much  Call it our temporary crunch  With broken words I've tried to say it  Honey don't you be afraid
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once  I want to die with you  Last night I think I drank too much  Call it our temporary crunch  With broken words I've tried to say it  Honey don't you be afraid  If we got nothing, we got us
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once  I want to die with you  Last night I think I drank too much  Call it our temporary crunch  With broken words I've tried to say it  Honey don't you be afraid  If we got nothing, we got us  And if you only die once
And if we only die once  I (3) to die with you  You got (4) I need  In this world full of people  There's one killing me  And if we only die once I want to die with you  Last night I think I drank too much  Call it our temporary crunch  With broken words I've tried to say it  Honey don't you be afraid  If we got nothing, we got us  And if you only die once I want to die with
