Something I need by One Republic

Fill in the gaps

I had a dream the other night
About how we only get one life
Woke me up right after two
I stayed awake and (1) at you
So I wouldn't lose my mind
And I had the week that came (2) hell
And yes, I know that you could tell
But you're like the net under the ledge
When I go (3) off the edge
You go flying off as well
And if you only die once
I want to die with
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've (4) to say it
Honey don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with
You got something I need
In this world full of people
There's one killing me

And if we only die once
I want to die (5) you
You got something I need
In this world (6) of people
There's one (7) me
And if we only die once
I want to die with you
I know that we're not the same
But I'm so damn glad
That we made it to this time, this time
You got something I need
Yeah, in this world full of people
There's one killing me
And if we only die once
I want to die with you
You got (8) I need
In this world full of people
There's one killing me
And if we (9) die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
And if we only die once I want to die with you
