

## Fill in the gaps

Woke up in London yesterday		Say oh, got this (6) that y	you can't fight
Found myself in the city near Piccadilly		Like this city is on fire tonight	
Don't really know how I got here		This could really be a good life, a good, good life	
I got some pictures on my phone		A good good life	
New names and numbers that I don't know		Hopelessly	
Address to places like Abbey Road		I feel like there might be something that I'll miss	
Day turns to night,		Hopelessly	
night turns to whatever we want		I feel like the window closes so quick	
We're young enough to say:		Hopelessly	
Oh (1) has gotta be the good life		I'm taking a mental picture of you now	
This has gotta be the good life		Because hopelessly	
This could really be a good life, (2) life		The hope is we (7) so much to (8)	
Say oh, got this feeling that you can't fight		good about	
Like this city is on fire tonight		Oh this has gotta be the good life	
This could really be a good life a good, good life		This has gotta be the good life	
To my friends in New York, I say hello		This could really be a good life, (9)	life
My friends in L.A. they don't know		Say oh, got this feeling that you can't fight	
Where I've been for the past few years or so		Like this city is on fire tonight	
Paris to China to Colorado		This could really be a good life, a good, good life	
Sometimes there's airplanes I can' t jump out		a good, good life	
(3)	there's bullshit that don't work now	To my friends in New York, I say hello	
We are good of stories but please tell me		My friends in L.A. they don't know	
What there is to complain about		Where I've been for the past few years or so	
When you're happy like a fool		Paris to China to Col-or-ado	
Let it take you over		Sometimes there's (10)	I can' t jump
When everything is out		out	
You gotta (4) it in		Sometimes there's bullshit that don't work now	
Oh (5) has gotta be the good life		We are god of stories but please tell me	
This has gotta be the good life		What there is to complain about	
This could really be a	a good life, good life
