

## Fill in the gaps

(1) up in London yesterday	Say oh, got this feeling that you can't fight
Found myself in the city near Piccadilly	Like this city is on fire tonight
Don't really know how I got here	This could really be a good life, a good, good life
I got some pictures on my phone	A (14) good life
New (2) and numbers that I don't know	Hopelessly
Address to places like Abbey Road	I feel like there might be something that I'll miss
Day (3) to night,	Hopelessly
night turns to (4) we want	l (15) like the (16)
We're young enough to say:	(17) so quick
Oh this has gotta be the good life	Hopelessly
This has gotta be the good life	I'm taking a mental picture of you now
This could really be a (5) life, good life	(18) hopelessly
Say oh, got this feeling that you can't fight	The hope is we have so much to feel good about
Like this (6) is on fire tonight	Oh this has gotta be the good life
This could really be a (7) life a good, good life	(19) has gotta be the (20) life
To my friends in New York, I say hello	This could really be a (21) life, good life
My friends in L.A. they don't know	Say oh, got this feeling that you can't fight
(8) I've been for the past few years or so	Like this city is on fire tonight
Paris to (9) to Colorado	This could really be a good life, a good, good life
Sometimes there's airplanes I can' t jump out	a good, good life
Sometimes there's bullshit that don't work now	To my friends in New York, I say hello
We are good of stories but please tell me	My friends in L.A. (22) don't know
What (10) is to (11) about	Where I've (23) for the past few years or so
When you're happy like a fool	Paris to China to Col-or-ado
Let it take you over	Sometimes there's airplanes I can' t jump out
When everything is out	Sometimes there's bullshit that don't work now
You gotta take it in	We are god of stories but (24) tell me
Oh this has (12) be the good life	What there is to complain about
This has gotta be the good life	
(13) could really be a good life, good life
