Say oh, got this feeling that you can't fight

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night,
night (1) to whatever we want
We're young enough to say:
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, (2) life
Say oh, got this feeling (3) you can't fight
Like this city is on fire tonight
This could really be a good life a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado
(4) there's airplanes I can' t jump out
Sometimes there's bullshit that don't work now
We are good of stories but please tell me
What there is to complain about
When you're happy like a fool
Let it take you over
When (5) is out
You gotta take it in
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life

Like this city is on fire tonight
This could really be a good life, a good, good life
A good good life
Hopelessly
I feel like there might be something that I'll miss
Hopelessly
I feel like the window closes so quick
Hopelessly
I'm taking a mental picture of you now
Because hopelessly
The hope is we have so much to feel good about
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a (6) life, a good, good life
a good, good life
To my friends in New York, I say hello
My friends in L.A. (7) don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can' t (8) out
Sometimes there's bullshit that don't work now
We are god of (9) but please tell me
