

Can't help by Parachute

Well, I tried to fake it
Baby, I tried to break it
But that's some kind of spell you got over me
You're a heavenly vision
(1)_____ to make it my mission
Do whatever it takes to get you with me
Everywhere I go
Yeah, no one else I know
That shines as bright as you in my telescope
I tried to let it fade
But I can't get away
I really hope you're listening
Because I never thought I would say
I can't help myself from falling in love
From falling in love with you, yeah
I can't help myself from taking the drug
From taking the drug
It's you, yeah
It happens every time
Can't get you off my mind
And (2)_____ else better wait in line
I can't help myself from falling in love
From falling in (3)_____ with you, yeah
Every time you come calling
Didn't think I'd be falling
Never thought It'd be you
I would always needed
Love was (4)_____ to run from
I was always the last one
That (5)_____ thought would be in this dream
Everywhere I go
Yeah, no one else I know
That shines as bright as you in my telescope
