

That shines as bright as you in my telescope

Fill in the gaps

Well, I tried to fake it	I tried to let it fade
Baby, I tried to break it	But I can't get away
But that's some kind of spell you got over me	I really hope you're listening
You're a heavenly vision	Because I never thought I would say
Going to make it my mission	I can't (11) (12) from
Do whatever it takes to get you with me	(13) in love
Everywhere I go	From (14) in love with you, yeah
Yeah, no one else I know	I can't help myself from (15) the drug
That shines as bright as you in my telescope	From (16) the drug
I tried to let it fade	It's you, yeah
But I can't get away	It happens every time
I (1) you're listening	Can't get you off my mind
(3) I never thought I would say	And anybody else better wait in line
I can't help myself (4) (5) in	I can't help myself from falling in love
ove	From falling in love (17) you, yeah
(6) falling in love (7) you, yeah	They told me "Son, you'll be addicted"
I can't help (8) from taking the drug	You stole a kiss
From taking the drug	And now I see it
It's you, yeah	You're in my veins
It happens every time	And I can feel it
Can't get you off my mind	Taking over me
And anybody else better wait in line	I can't help (18) (19) falling in love
I can't help (9) from falling in love	From falling in love with you, yeah
From falling in love with you, yeah	I can't (20) myself from taking the drug
Every time you come calling	From taking the drug
Didn't think I'd be falling	It's you, yeah
Never thought It'd be you	It (21) every time
I (10) always needed	Can't get you off my mind
Love was something to run from	And anybody (22) (23) wait in line
I was always the last one	I can't help myself from (24) in love
That everyone thought would be in this dream	From falling in love with you, yeah
Everywhere I go	
Yeah, no one else I know
