

Golden leaves by Passenger

Do you remember how this first begun?
Teeth were white and our skin was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two golden leaves
Clinging desperately to (1)_____ trees
Held up here like a pair of thieves
While the (2)_____ blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all (3)_____ and
What's left to break when our hearts are broken
But sometimes
Do you remember how (4)_____ started out?
So full of (5)_____ but now we're filled with doubt
A dirty joke we used to laugh about

Fill in the gaps

But it's not (6)_____ anymore
I fear I'll choke unless I spit it out
(7)_____ smell of smoke (8)_____ the
fire's gone out
Can't live with you but I'd die without
So what's left to say (9)_____ every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
What's (10)_____ to say when every word's been
spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
