

Fill in the gaps

The wrong direction by Passenger

| When I was a kid the things I did | How much greener the grass is |
|---|--|
| Were hidden under the grid | With those rose tinted glasses |
| Young and naive I (1) believed | But the butterflies (7) flutter by |
| That love could be so well hid | And leave us on our arses |
| With regret I'm willing to bet | Because I'd love to feel love |
| And say the older you get | But I can't stand the rejection |
| It gets harder to forgive and harder to forget | I (8) behind my jokes |
| It gets under (2) shirt like a dagger at work | As a form of protection |
| The first cut is the deepest | I thought I was close but under further inspection |
| But the rest still flipping hurt | It seems I've been running in the wrong direction |
| You build (3) heart of plastic | There's fish in the sea for me to make a selection |
| Get cynical and sarcastic | I'd jump in if it wasn't for my ear infection |
| And end up in the corner on your own | Because all I want to do is try to make a connection |
| Because I'd love to feel love | It seems I've been (9) in the wrong |
| But I can't stand the rejection | direction oh |
| I hide behind my jokes | I'd love to feel love but I can't stand the rejection |
| As a form of protection | I hide behind my jokes |
| I thought I was close but under further inspection | As a form of protection |
| It seems I've been running in the wrong direction oh no | I thought I was close but under further inspection |
| So what's the point in getting your (4) up? | It seems I've been running in the wrong direction |
| When all you're ever getting | I'd love to feel love but I can't stand the rejection |
| Is choked up | I hide behind my jokes |
| When you're (5) up | As a form of protection |
| And can't (6) the reason why you broke | And I thought I was close but under further inspection |
| ир | It seems I've been running in the wrong direction oh |
| You call her in the morning | It seems like I'm running in the (10) direction oh |
| When you're coming down and falling | Seems like I'm running in the wrong direction oh |
| Like an old man on the side of the road | Well it seems I've been running in the wrong direction oh no |
| Because when you're apart you don't want to mingle | Seems I've been running in the wrong direction |
| When you're together you want to be single | |
| Ever the chase to taste the kiss of bliss | |
| That made your heart tingle | |

- 1. never
