## The wrong direction by Passenger

When I was a kid the things I did	How much greener the grass is
Were hidden under the grid	With those rose tinted glasses
(1) and naive I never (2)	But the (14) (15)
That love (3) be so well hid	flutter by
With (4) I'm willing to bet	And leave us on our arses
And say the older you get	Because I'd love to feel love
It gets harder to forgive and harder to forget	But I can't stand the rejection
It gets under your shirt like a dagger at work	I (16) behind my jokes
The first cut is the deepest	As a form of protection
But the rest still flipping hurt	I thought I was close but under (17)
You build your heart of plastic	inspection
Get (5) and sarcastic	It seems I've been running in the wrong direction
And end up in the corner on your own	There's fish in the sea for me to make a selection
Because I'd (6) to feel love	I'd jump in if it wasn't for my ear infection
But I can't stand the rejection	(18) all I (19) to do is try to
I hide (7) my jokes	make a connection
As a form of protection	It seems I've been running in the (20) direction
I thought I was close but under (8)	oh
inspection	I'd love to feel love but I can't stand the rejection
It seems I've been running in the wrong direction oh no	I hide behind my (21)
So what's the point in getting your hopes up?	As a form of protection
When all you're ever getting	I thought I was close but under (22)
Is choked up	inspection
When you're coked up	It seems I've been running in the wrong direction
And can't (9) the reason why you	I'd love to feel love but I can't stand the rejection
(10) up	I hide behind my jokes
You call her in the morning	As a form of protection
When you're (11) down and falling	And I thought I was close but under further inspection
Like an old man on the (12) of the road	It seems I've been running in the (23)
Because when you're apart you don't want to mingle	(24) oh
When you're together you want to be single	It seems like I'm (25) in the wrong direction
Ever the chase to taste the kiss of bliss	oh
That made your (13) tingle	Seems like I'm running in the wrong direction oh
	Well it seems I've (26) running in the wrong
	(27) oh no
	Seems I've been (28) in the wrong
	direction
