Fill in the gaps

The wrong direction by Passenger

When I was a kid the things I did	How much greener the grass is
Were hidden under the grid	With those rose tinted glasses
Young and naive I never believed	But the butterflies they flutter by
That love could be so well hid	And leave us on our arses
With regret I'm willing to bet	Because I'd love to feel love
And say the older you get	But I can't stand the rejection
It gets harder to forgive and harder to forget	I hide behind my jokes
It gets under your shirt like a dagger at work	As a form of protection
The first cut is the deepest	I thought I was close but under (7)
But the rest still flipping hurt	inspection
You build your heart of plastic	It seems I've (8) running in the wrong direction
Get cynical and sarcastic	There's fish in the sea for me to make a selection
And end up in the corner on your own	I'd jump in if it wasn't for my ear infection
Because I'd love to feel (1)	Because all I want to do is try to make a connection
But I can't stand the rejection	It seems I've been running in the wrong direction oh
I hide behind my jokes	I'd love to (9) love but I can't stand the rejection
As a form of protection	I hide behind my jokes
I thought I was (2) but under further inspection	As a form of protection
It seems I've been running in the wrong direction oh no	I thought I was close but under further inspection
So what's the point in getting your hopes up?	It seems I've been running in the wrong direction
When all you're ever getting	I'd love to feel love but I can't stand the rejection
Is choked up	I hide behind my jokes
(3) you're coked up	As a form of protection
And can't remember the reason why you broke up	And I thought I was close but under further inspection
You (4) her in the morning	It seems I've been running in the wrong direction oh
When you're coming down and falling	It seems like I'm running in the wrong direction oh
Like an old man on the side of the road	Seems like I'm running in the wrong direction oh
Because (5) you're apart you don't want to mingle	Well it seems I've been running in the wrong direction oh no
When you're together you want to be single	Seems I've been running in the wrong direction
(6) the chase to taste the kiss of bliss	
That made your heart tingle
