The wrong direction by Passenger

When I was a kid the things I did	How much greener the grass is
Were hidden under the grid	With those rose tinted glasses
Young and naive I never believed	But the butterflies they flutter by
That love (1) be so well hid	And (5) us on our arses
With regret I'm willing to bet	Because I'd love to feel love
And say the older you get	But I can't stand the rejection
It gets harder to forgive and harder to forget	I hide behind my jokes
It (2) under your shirt like a dagger at work	As a form of protection
The first cut is the deepest	I thought I was close but under further inspection
But the rest still flipping hurt	It seems I've been running in the wrong direction
You build your (3) of plastic	There's fish in the sea for me to make a selection
Get cynical and sarcastic	I'd jump in if it wasn't for my ear infection
And end up in the corner on your own	Because all I want to do is try to make a connection
Because I'd love to feel love	It seems I've been running in the wrong direction oh
But I can't stand the rejection	I'd love to feel love but I can't stand the rejection
I hide behind my jokes	I hide behind my jokes
As a form of protection	As a form of protection
I thought I was close but under further inspection	I thought I was close but under further inspection
It seems I've been running in the wrong direction oh no	It seems I've been (6) in the wrong
So what's the point in getting (4) hopes up?	direction
When all you're ever getting	I'd love to feel love but I can't stand the rejection
Is choked up	I hide behind my jokes
When you're coked up	As a form of protection
And can't remember the reason why you broke up	And I thought I was (7) but under further
You call her in the morning	inspection
When you're coming down and falling	It seems I've been running in the wrong direction oh
Like an old man on the side of the road	It seems (8) I'm running in the wrong direction oh
Because when you're apart you don't want to mingle	Seems like I'm running in the wrong direction oh
When you're together you want to be single	Well it seems I've (9) running in the
Ever the chase to taste the kiss of bliss	(10) direction oh no
That made your heart tingle	Seems I've been running in the wrong direction
