The last unicorn by Passenger

Fill in the gaps

Well we'll kiss for that's how it begins		Because (6)	won't buy love	
We'll embrace just to warm our skins		And nor will they sell		
I'll think of her and you'll think of him		And there is no love in (7) hotel		
And we'll talk to keep The silence from our ears		Though we're walking home we (8) too well		
		We are both lost		
And we'll laugh (1)	we're so close to tears	We are both lost		
We're just lonely, you know That's why we're here		And we won't be found		
		She was my compass		
Because you don't taste like you should		He was your map		
And you don't fit in my arms like she would		We've come too far to be turning back		
Lying in the dark, it's understood		And we'll sit on our single beds		
We are both lost		Nothing on our hearts		
And we won't be found		And (9)	on our threads	
We will wake up with (2)	other in our paws	For we know		
You (3) over white bits		The last (10)	is dead	
(4) I've not seen them be	fore			
We'll say goodbye and (5)	we'll sav no more
