

## Fill in the gaps

Well we'll kiss for that's how it begins
We'll embrace just to (1) our skins
I'll think of her and you'll think of him
And we'll talk to keep
The silence (2) our ears
And we'll laugh because we're so close to tears
We're just lonely, you know
That's why we're here
Because you don't (3) like you should
And you don't fit in my (4) like she woul
Lying in the dark, it's understood
We are both lost
And we won't be found
We will wake up with each other in our paws
You cover (5) white bits
Like I've not (6) them before
We'll say goodbye and then we'll say no more

Because hearts won't buy love	
And nor will (7) sell	
And there is no (8) in (9)	hotel
Though we're walking home we know too well	
We are both lost	
We are both lost	
And we won't be found	
She was my compass	
He was your map	
We've come too far to be turning back	
And we'll sit on our single beds	
(10) on our hearts	
And tears on our threads	
For we know	
The last unicorn is dead
