Well, last night I couldn't sleep		(6)	it hit me with no warning	
I got up and started walking		(7)	(7) a summer sky storming in my lungs	
Down to the end of my street		Ain't it funn	Ain't it funny how the kids walk by	
And on into town		They'll do a	They'll do anything to make themselves look older	
(1) I had no one to meet		While the w	While the women spend their money	
And I had no taste for talking		On anythin	On anything that makes them look young	
Seems I'm talking my whole life		Like a ston	Like a stone	
It's time I (2) now		We're carri	We're carried on the river	
Well, I (3) I passed the late night boys		(8)	(8) a boat	
With their bottles in the doorways		Sailing on t	Sailing on the sea	
And I walked I passed the business men		Oh I'll keep	Oh I'll keep on walking	
Sleeping like babies in their cars		Well, (9)	keep on walking	
And I thought to myself oh son		Till I find th	Till I find that old love	
You may be lost in more ways than one		Or that old	Or that old love comes to find me	
But I've a feeling that it's more fun		Well, I'm lik	Well, I'm like a stone	
Than knowing exactly where you are		And I'm car	And I'm carried on the river	
Like a stone		Like a boat	Like a boat	
Carried on the river		Sailing on t	Sailing on the sea	
Like a boat		Oh well, I'll	Oh well, I'll keep on walking	
Sailing on the sea		Well, I said	Well, I said I'll keep on walking	
Well (4)	keep on walking	Till I find that old love		
Oh I'll keep on walking		Or that old	Or that old love comes to find me	
Till I find that old love		(10)	(10) I find that old love	
Or that old love comes to find me		Or that old	Or that old love comes to find me	
Well, I walked into the n	norning			
And felt the warm (5) forming on my	/
