

And felt the warm sunlight forming on my shoulders

Fill in the gaps

Well, last night I (1)	sleep	Because it hit me with no warning	
I got up and started walking		Like a summer sky (7) in my	lungs
Down to the end of my street		Ain't it funny how the kids walk by	
And on into town		They'll do anything to make (8)	
Well I had no one to meet		look older	
And I had no taste for talking		While the women spend their money	
Seems (2) talking my	whole life	On anything that makes them look young	
It's time I listen now		Like a stone	
Well, I walked I (3)	the late (4)	_ We're carried on the river	
boys		Like a boat	
With their bottles in the doorways		Sailing on the sea	
And I walked I passed the business men		Oh I'll keep on walking	
Sleeping like babies in their cars		Well, I'll keep on walking	
And I thought to myself oh son		Till I find that old love	
You may be lost in more ways than one		Or that old love comes to find me	
But I've a feeling that it's more fun		Well, I'm like a stone	
(5) knowing exactly where you are		And I'm carried on the river	
Like a stone		Like a boat	
Carried on the river		(9) on the sea	
Like a boat		Oh well, I'll keep on walking	
Sailing on the sea		Well, I said I'll keep on walking	
Well I'll keep on walking		Till I find that old love	
Oh I'll keep on walking		Or that old love comes to (10) me	
Till I find (6) old love		Till I find that old love	
Or that old love comes to find me		Or that old love comes to find me	
Well, I walked into the morning
