Fill in the gaps

Strangers In The Night by Frank Sinatra

Strangers in the night exchanging glances
Wond'ring in the night
What were the chances we'd be (1) love
Before the night was through.
Something in (2) eyes was so inviting,
Something in (3) was so exciting
Something in my heart,
Told me I must have you.
Strangers in the night, two lonely people
We were strangers in the night
Up to the moment
When we said our first hello.
Little did we know
Love was just a glance away,
A warm embracing (5) away and -
Ever since (6) night we've been together.
Lovers at (7) sight, in love forever.
It turned out so right,
For (8) in the night.
(Instrumental Break)
Love was just a glance away,
A warm embracing dance away.
Ever since (9) night we've been together.
Lovers at first sight, in love forever.
It turned out so right,

For strangers in the night.
