

## Fill in the gaps

There's a (1) another	Beam me up
(2) going on	Let me be lighter
In a (3) universe	I'm tired of being a fighter
Where nothing breaks and (4) hurts	I (18) a (19) enough
There's a waltz playing (5) in time	(20) beam me up
Blades of (6) on tiny bare feet	In my head I see your (21) blues
I (7) at you and you're looking at me	I hear your voice and I
Could you beam me up?	I break in two and now there's
Give me a minute	One of me (22) you
I don't (8) what I'd say in it	So when I need you, can I send you a sign?
I'd probably just stare	I'll burn a (23) and turn off the lights
Happy (9) to be there holding (10) face	I'll (24) up star and watch you shine
(11) me up	Just beam me up
Let me be lighter	Give me a minute
(12) tired of being a fighter	I don't know what I'd say in it
I think a minute's enough	I'd probably (25) stare
Just beam me up	Happy just to be there holding your face
Saw a blackbird (13) in the sky	Beam me up
Barely a breath I caught one (14) sight	Let me be lighter
(15) me that was you (16)	I'm tired of being a fighter
goodbye	I think a minute's enough
There are times I feel the shiver and cold	Beam me up
It only happens when I'm on my own	Beam me up
That's how you tell me I'm not alone	Beam me up
Could you beam me up?	Could you beam me up?
Give me a minute	
I don't know what I'd say in it	
I'd probably just stare	
Happy (17) to be there holding your face
