

## Fill in the gaps

There's a whole another conversation going on	веат те ир
In a parralell universe	Let me be lighter
Where nothing breaks and nothing hurts	I'm tired of being a fighter
There's a waltz playing frozen in time	I think a minute's enough
Blades of grass on tiny bare feet	Just beam me up
I look at you and you're (1) at me	In my head I see your baby blues
Could you beam me up?	I hear your voice and I
Give me a minute	I break in two and now there's
I don't know (2) I'd say in it	One of me with you
I'd probably (3) stare	So when I (9) you, can I send you a sign?
Happy just to be there holding your face	I'll burn a candle and turn off the lights
Beam me up	I'll pick up star and watch you shine
Let me be lighter	Just beam me up
I'm tired of (4) a fighter	Give me a minute
I (5) a minute's enough	I don't know what I'd say in it
Just beam me up	I'd probably just stare
Saw a (6) soaring in the sky	Happy just to be there holding your face
Barely a (7) I caught one last sight	Beam me up
Tell me that was you saying goodbye	Let me be lighter
There are times I feel the shiver and cold	I'm tired of (10) a fighter
It only happens when I'm on my own	I think a minute's enough
That's how you tell me I'm not alone	Beam me up
Could you beam me up?	Beam me up
Give me a minute	Beam me up
I don't know what I'd say in it	Could you beam me up?
I'd probably just stare	
Happy just to be there (8) your face	

- 1. looking
- 2. what
- 3. just
- 4. being
- 5. think
- 6. blackbird
- 7. breath
- 8. holding
- 9. need
- 10. being
