That's life, that's what all the (1) say.	I (8) of quitting baby,
You're (2) high in April,	But my heart (9) ain't (10) buy it.
Shot down in May	And if I didn't (11) it was worth on
But I know I'm gonna (3) that tune,	(12) try,
When I'm back on top, back on top in June.	I'd (13) right on a big bird and then I'd fly
I said that's life, and as funny as it may seem	I've (14) a puppet, a pauper, a pirate,
Some (4) get their kicks,	A poet, a (15) and a king.
Stompin' on a dream	I've been up and down and over and out
But I don't let it, let it get me down,	And I know one thing:
'Cause (5) fine ol' world it keeps spinning around	Each time I find myself (16) flat on my face,
I've been a puppet, a pauper, a pirate,	I just pick myself up and get back in the race
A poet, a pawn and a king.	That's life
I've (6) up and down and over and out	That's life and I can't deny it
And I know one thing:	Many (17) I thought of cutting out
Each time I (7) myself, flat on my face,	But my heart won't buy it
I pick myself up and get back in the race.	But if there's (18) shakin' (19)
That's life	(20) july
I tell ya, I can't deny it,	I'm (22) roll myself up in a big ball and die
	My, My
