

Fill in the gaps

(1) a wrong turn, (2) or twice	The whole (15) stares
Dug my way out, blood and fire	while I swallow the fear
Bad decisions, that's alright	The only (16) I (17) be drinking
Welcome to my silly life	is an ice (18) beer
Mistreated, misplaced, misunderstood	So cool in lying and we tried, tried, tried
Mis, no way it's all good,	But we try too hard,
it didn't slow me down	it's a waste of my time
Mistaken, always (3) guessing	(19) looking for the (20)
Underestimated, look, I'm still around	(21) they're everywhere
Pretty, pretty please, don't you ever, ever feel	They don't like my genes, they don't get my hair
Like you're less than, fucking perfect	Strange ourselves
Pretty, pretty please, if you ever, ever feel	and we do it all the time
Like you're nothing you are (4) perfect to	Why do we do that? Why do I do that?
me	Why do I do that?
You're so (5) when you talk	Yes, I'm pretty, pretty, pretty
(6) yourself, you are wrong	Pretty, pretty please, don't you ever, ever feel
Change the voices in your head	Like you're less than, fucking perfect
(7) them like you instead	Pretty, pretty please, if you ever, ever feel
So complicated, look how big you'll make it	Like you're nothing, you are fucking (22) to
Filled (8) so much hatred, such a tired game	me
It's enough, I've done all I can think of	You are perfect, you're perfect
(9) down all my demons, see you do the	Pretty, (23) please if you ever, ever feel
same	Like you're less than, fucking perfect
Pretty, (10) please, don't you ever,	Pretty, pretty please if you ever, ever feel
(11) feel	Like you're nothing, you are perfect to me
Like you're (12) than, (13)	
perfect	
Pretty, pretty please, if you ever, ever feel	
(14) you're nothing, you are fucking perfect to me
