

Fill in the gaps

Love the way you lie by Rihanna & Eminem

(Rihanna)

(1) _____ gonna stand there

and (2) _____ me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

I can't tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife in my windpipe

I can't breathe but I (3) _____ fight

While I can fight

As long as the wrong feels right

It's like I'm in flight

High of a love

Drunk from the hate

It's like I'm huffing paint

And I love it the (4) _____ that I suffer

I suffocate

And right before (5) _____ about to drown

She resuscitates me

She fucking hates me and I love it

Wait

Where you going

I'm leaving you

Fill in the gaps

No you ain't

Come back

We're running right back

(6)_____ we go again

It's so insane

Cause when it's going good

It's going great

I'm (7)_____ with the wind in his bag

She's Lois Lane

But when it's bad it's awful

I feel so ashamed

I snap

Who's that dude

I don't even know his name

I laid hands on her

I'll never (8)_____ so low again

I guess I don't know my own strength.

(Rihanna)

Just (9)_____ stand there

and (10)_____ me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

You ever love somebody so much

You can barely breathe

Fill in the gaps

When you're with them

You meet

And neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're getting fucking sick

Of looking at 'em

You swore you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

When you (11)_____ 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

(12)_____ you're in 'em

It's the rage that took over

It controls you both

So they say it's best

To go your separate ways

(13)_____ that they don't (14)_____ you

Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records

Playin' over

But you (15)_____ her

(16)_____ time you'll show restraint

You don't get another chance

Life is no Nintendo game

But you (17)_____ again

Now you get to watch her leave

Out the window

Guess that's why they call it window pane

(Rihanna)

Just (18)_____ stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright (19)_____ I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

Now I (20)_____ we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad as mine is

You're the same as me

But when it comes to love

Fill in the gaps

Fill in the gaps

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano

All I know is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice (21)_____ I talk

Told you (22)_____ is my fault

Look me in the eyeball

Next (23)_____ I'm pissed

I'll aim my (24)_____ at the dry wall

Next time

There (25)_____ be no next time

I apologize

(26)_____ though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma (going to) tie her to the bed

And set the (27)_____ on fire

(Rihanna)

Fill in the gaps

Just gonna stand there

and watch me burn

But that's alright

Because I (28)_____ the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

Fill in the gaps

Answer

1. Just
2. watch
3. still
4. more
5. I'm
